DETAILED ACTION

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: In order to consider the application for allowance claim 17 has been canceled.

Reason for Allowance

The following is an examiner's statement of reasons for allowance: Claims 1 through 16, 18 and 19 (re-numbered claims 1 through 18) of application number 10/067,606 are allowable over the prior art of record in that the device for plumbing drainage systems the device comprises a first tubing having an attachment bell at one end and a first coupler portion at the other end; a second tubing element having an attachment bell at one end and a second coupler portion at the other end, wherein the first and second coupler portions are sized and shaped to be coupled together; and at least one of the first or second tubing element is a generally u-shaped section sized and shaped to trap water therein; a seal sized and shaped to fit between the first coupler portion and the second coupler portion, the seal being sufficiently flexible to form a liquid tight seal; and a connector to releasably couple the first and second coupler portions, wherein the first coupler portion and the second coupler portion are sized and shaped to permit the first and second coupler portions to be coupled together over a range of angles to form a leak resistant joint.
